

DINARD LADIES OPEN
TROPHEE LALLY de SAINT-SAUVEUR
16th – 18th of April 2009 – Dinard Golf

The Dinard-Golf is proud to host the first issue of the new french international professional ladies tournament. We would be very happy to welcome you on this exceptional tournament which is the first step of the future Ladies Tour in France.

Dinard is one of the oldest continental course (1887), and this true links course is perfectly adapted to the ladies game. Overlooking the sea from each hole, it can become delicate with the wind.

The Club-House is cosy and very British.

This championship joins the best European professionals and amateurs in a very unusual competition. Your participation to this event will be a great pleasure and I personally hope to meet you then.
